

Craving Change™

WANT TO CHANGE YOUR RELATIONSHIP WITH FOOD?

Most of us know that eating an apple is healthier than eating a cookie, so why do we often choose the cookie?

ARE YOU:

- ⇒ Struggling to maintain healthy eating habits?
- ⇒ An emotional eater, or for comfort or in response to strong feelings?
- ⇒ Want to feel more in control of your eating?

Join us for an information session to learn more about the program.

Date & Time:

Wednesday April 11th @ 5:30—6:00pm
