Scott FULLER

STATE REPRESENTATIVE DISTRICT 67

Barrington & Warren

My wife and I grew up in Barrington and we along with our 3 sons all graduated from Barrington High. I have been a banker, teacher, vice principal, principal, and a school committee member. My ten years in the private sector, thirty years in education (public and parochial) and fifty years in Barrington have uniquely prepared me to represent you at the State House.

I will serve as a Representative who will listen to your concerns and act in the best interest of you and your loved ones – not the special interests!

Would you like to volunteer? Do you have any questions?
Any ideas on how to improve our district? I'd love to hear from you!!
