Delta Variant Update: 8/15/21

Dream Movement Community,

The Delta variant of COVID-19 has been spreading rapidly among the world. HISD has recently implemented a mask mandate to help stop the spread of the Delta variant.

For the safety of our community members and guests visiting Dream Movement gatherings and events, we ask that all unvaccinated people please wear a mask at all Dream Movement gatherings and events as of August 16th, 2021. We also ask that all healthcare professionals wear a mask if not able to socially distance themselves from others even if they have been vaccinated.

You do not have to wear a mask if you are vaccinated or attending an event or gathering outside and can socially distance yourself from others.

Thank you for your patience and understanding and we can't wait to see you!
